

Exclusive Destination Wedding Package

THE BREW CREEK CENTRE

Congratulations! You've already made one of the most important decisions of your life and now you're ready to plan the Big Day. The Brew Creek Centre, just 20 minutes south of Whistler, British Columbia, has all the elements to make your destination wedding personal, extraordinary and unforgettable.

Our 20-acre pristine natural setting offers complete privacy. That means you can put your signature on the event with different ceremony locations on the property ranging from a flower-filled garden ceremony, vows on the tiered terraces or in a quiet rainforest bower. We build your sumptuous feast with the freshest herbs, fruit and vegetables grown here in our geodesic growing dome and farm garden.

How it works

- We are a full-service destination wedding venue offering exceptional value on a package-only basis, including the ceremony, site fee, meals and lodging. Please [contact us](#) to request more information.
- The entire 20-acre property is for the exclusive use of you and your guests.
- We handle all the food. Our kitchen team puts together inspired seasonal field-to-table fare with playful, romantic touches – most sourced from our gardens. It doesn't get more locavore. Please let us know if your group has any dietary needs and restrictions, and we can discuss.
- We supply all alcohol at the best prices available. Sorry, no outside wine, beer or spirits are allowed on the property.
- Onsite fun: We have lots of [great activities](#) that we can arrange on property for your group.
- Your dogs are welcome on the property on wedding day, though we ask you to find overnight lodging for them off property. We can help with recommendations.
- Though we love kids, we don't have infrastructure here for children, such as cribs, cots, playpens, highchairs and toys for tots. If you're group includes 10 or more children, Whistler might be the better lodging choice.

Guest activities

Wild or mild? It's all here activity-wise, so it's easy to keep guests busy on your wedding day. Get everyone involved in local adventuring: watching for foraging bears from the PEAK 2 PEAK gondola or visiting two renowned museums. There's superb fly fishing, alpine hiking, mountain biking, ziplining and heli-flightseeing, plus skiing and dozens of wintertime fun options. We can steer you in the right direction with helpful suggestions.
